Numbers add up in Bookkeeping Certificate

Become a qualified bookkeeper - new accreditation from the Institute of Certified Bookkeepers

This Certificate in Bookkeeping is ideal for those who are new to bookkeeping and have little or no previous knowledge or experience. This course will teach you all you need to know about bookkeeping and provide you with the framework and support you need to run your own business or better understand the financial side of your business.

We're excited to introduce this accredited course from the Institute of Certified Bookkeepers (ICB). The ICB is the largest bookkeeping institute in the world. It promotes and maintains the standards of bookkeeping as a profession through the establishment of relevant qualifications and the award of grades of membership that recognise academic attainment, working experience and competence.

We also offer a conversion course for those who have achieved a Distinction in QQI L5 Manual & Computerised Bookkeeping.

New Beginnings in Autumn!

Leaving Cert Irish for mature students

This class is specifically designed for people who want to improve on a previous grade in Leaving Cert Irish so that they can gain entry into courses where the minimum grade required is H4.

The class is divided into two sections. On Monday nights, the focus is on the Leaving Cert Oral Examination or the Hibernia College Irish Interview. On Wednesday nights, the focus is on the Leaving Cert Higher Level Written Exam Paper.

The class is scheduled to run for 28 weeks and will finish in May 2020, just before you sit the written Leaving Certificate examination.

This proved a popular class last year, with many seeking improved results in Irish to apply for primary teaching qualifications. Others simply wanted to upgrade their skills in written and spoken Irish.

Monday & Wednesday nights x 28 | €695
